### **2017 Meeting Brainstorming**

- The group brainstormed ideas for the 2017 meetings – including inviting members/agencies to present “Practice Pearls” – which is used by Ann Connelly in the school health program; these are short 15-20 minute presentations. Amanda will reach out to Ann for more information, and we will offer a sign up to members.
- The Pilot Projects will again be offered in 2017. The RFP will be released in early February and they will be due in early March. They will be up to \$6,000 each and projects must focus on one of our priority areas and have a policy, system and/or environmental change element.
- We will set aside one meeting a year for the committees to attempt to meet in person

### **2017 Leadership**

- The group is looking for a secretary to take minutes at the meetings. Note – since the meeting, Tasha Catron, Stark County Health, has offered to be our secretary at the quarterly meetings. Thanks Tasha!

### **Announcements/Updates/Adjourn**

- The CIAG will meet following the OIPP Meeting on February 5<sup>th</sup>. The focus of the OIPP meeting will be child injury too! We hope to see everyone then!
